requested to take steps for the investment of the sale proceeds of the produce of the endowed lands for the last 3 years in the 6½% Loan.

2. Mr. B. K. Venkatachar, the nominee on behalf of the donor's legatees, has made the following proposals, which have been supported by the D.C. & the M.C.

The proposals are :—

1) ~~The~~ Three-fourths of the annual income from the endowed land to be utilized for feeding Brahmin Sanskrit students who go to Melkote from the mofussil and a fourth for feeding Srivaishnava Brahmin travellers in the Desikar's Samidhi at Melkote. As both the students and travellers will be fed in the Desikar's Samidhi, the Sanskrit students to be fed should also be probably Sri Vaishnavas. Before according sanction to the proposal, it may, perhaps, be useful to know the exact value in money of the income from the land.

2) Half the annual income from the investment in the 6½% State Loan, to be utilized for feeding Brahmins

The wordings in the Will on this point are:- [illegible]

(Jadhiparadhane) in the Desikar's samidhi on the Donor's Shraddha day-and the other half to go to augment the main charity- Here again, the amount to be invested in the State Loan and whether it has been so invested is not known- The D.C. has called for information from the S.D.O.

× This is Rs 1568-5-7, as subsequently prefixed

3) Constitution of a committee for the manag[t] of the charities. With regard to this, Mr Venkatachar proposed the names of 4 Vadagale gentlemen, including himself & the Temple Peshkar as the 5th man. The Amildar suggested the appointment of 2 Vadagale gentlemen & 2 Thenkalai gentlemen; but the D.C. agreeing with Mr Venkatachar, states that to ensure smooth working of the charities, it is desirable that only Vadagale gentlemen should be on the committee-

3. It is subd that the above proposals may, perhaps, be better approved after the information called for by the D.C. from the S.D.O. is received.

4. If approved, the M.C. will be requested to furnish the information.

to 1922-23 inclusive, & after deducting the Kandayam for those years amounting to Rs 171-6-9, at Rs 5-7-2 per annum, amounts to Rs ~~xxxxxx~~ 1568-5-7.

2) Amount of sale-proceeds of paddy invested in the 6 1/2 % State Loan. . Rs 1266-9-7 is, reported to have been deposited in the Taluk Savings Bank. The balance of Rs 301 12-0 is stated to have been inadvertently omitted to be deposited.

It will be seen from the Dy. Comr's letter that instructions have been issued for the investment of the available amount in the 6 1/2 % Loan.

9 From the copy of the "Will" left by Mr. Channa Gurunayar it will be seen that he was selling 45 kandies of paddy as gutta annually - as such, it is not clear how it has been leased out for 5 years at 37 kandies, that is 8 kandies, less - The lease period is stated to terminate by the end of 1924-5 & after that it is proposed to lease out the lands for a cash gutta.

10. The three points on which orders have to be passed are contained in para 2 of the note.

89/11/24 1) The realisation in the years 1919-20 after payment of Kandayam is Rs 1568-5-7 i.e. an average of about Rs 392 per annum. This may not suffice to feed more than 8 or 10 ~~persons~~ once a day during the whole year. If two meals are to be given, the nos that can be fed will be much less. It is not known how many Sreevaishnava Students go to Melkote every year, & how many Sri Vaishnava travellers on the average the then the amount would suffice for this purpose has to be considered

(These details may be dealt with by the committee.)

2). The amount that may be invested now in 6½% is Rs 1568 on which interest per annum will be Rs 101 roughly. Half of it has to be utilised on the Dasara & Bhadra Dasara & the other half to augment the income from lands & utilised in the manner of feeding with the half income, besides one or two more can be fed. There two proposals viz the withdrawal of the annual fee three villages & the interest. Earnings from the proposed investment may perhaps be decided after getting a report as to the nos of people Students & travellers that would have to be fed

Sir,

With reference to para 3 of Government Order No.6650-4/Muz.401-19-9 dated 26th May 1922, in re proposals for the utilization of the income from the lands endowed by the late Mr. Bindiganavale Chennagarudiengar according to the wishes of the testator, I have the honor to submit herewith copy of Mysore District Deputy Commissioner's letter No.769/Muz.21-22 of the 11th December 1922 recommending for sanction certain proposals for the aforesaid purpose.

These proposals may be approved. The testator in his will of the 21st February 1902 has left the management of the charity entirely in the hands of Government, stating that he has no proper heirs who could satisfactorily undertake the duty.

The records received with the Deputy Commissioner's letter and a copy of the will are herein enclosed for reference and return.

I have the honor to be,

Sir,

Your most obedient servant

Muzrai Commissioner.

Letter No.C.769/Muz.21-22 dated 11th December 1922, from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore:-

---

"With reference to your letter No.C.138/22-23 dated 1st December 22 calling for proposals for the utilization of the income from the lands endowed by the late Mr. B. Channagarudiengar for feeding pilgrims etc., in the Desikar's Sannidhi at Melkote, I have the honor to state that Mr. B.K. Venkatachar, the nominee on behalf of the donor's legatees proposed in his original proposal dated 20th June 1922, that 3/4th of the income from the lands endowed, should be utilised for feeding indigent brahmin students, preference being given to the Members of Vadagale Sect, and ¼ of the income for feeding travellers. The Amildar of Seringapatam in his report dated 16th September 1922 states that the Testator's will provides for the utilization of the income for feeding travellers and students at Melkote who study Sanskrit and that it would be making an invidious distinction if only Vadagale Sect is to be preferred in the case of students. He proposes therefore that three-fourths of the income may be utilised for feeding Brahmin Sanskrit students who come there from mofussil and the remaining ¼ income for feeding Brahmin travellers in the Desikar's Sannidhi. As regards travellers, only Srivyshnavas may be preferred as recommended by the Amildar as there is a separate Anna Chattram for others. This arrangement is agreed to by Mr. Venkatachar subsequently before me.

2. The second proposal is that half the annual interest to be realized from the investment in the 6½% State Loan, of the sale proceeds of the last three years' produce of the lands, should be utilised for a 'Samaradhane' in the Desikar's Sannidhi on the Donor's Shradha day, (i.e., on the day of annual ceremony). The other half will go to augment the main charity, viz., feeding travellers and students. This is also in agreement with Mr. Venkatachar's proposal.

3. Re: the third proposal in respect of the constitution of a Committee to manage the charities, there is some difference of opinion between Mr. B.K. Venkatachar and the Amildar.

Mr. Venkatachar desires that the Committee should consist of members of only Vadagale Sect and suggests the names of certain gentlemen

gentlemen in his original proposal dated 20th June 1922 to be appoint as such, with a view to have smooth and harmonious working among the members of the Committee, who are to be selected by virtue of their office, represe ting the several recognised Vadagale institutions such as the Parakala att, Ahobila Matt, Desikar's temple etc.

The Amildar states that the above proposal appears to be based on the fact that the testator was a Vadagale Gentleman and as such, preference is given to that sect etc., and proposes that the Committee may consist of 2 Vadagale gentlemen and 2 Tengalai gentlemen and the Peshkar of the Temple.

As in my experience, Melkote is noted for its Sectarian prejudices and distinctions, it would be unwise to club the members of the two communities in such functions, as it is likely to create unceasing quarrels, and would not tend to the smooth working of the charity itself. I am therefore inclined to think that it would be better to adopt Mr. Venkatachar's proposal itself for the formation of the Committee. I also agree with the other two proposals referred to above.

The Peshkar of the Melkote temple who is proposed to be the official member of the Committee will supervise the charities.

The proposals of Mr. B. C. Venkatachar received with Muzrai Superintendent's letter No.147 dated 14th July 1922 along with other connected papers are forwarded herewith for reference.

I have called for information from the Sub Division Officer, as to the result of the disposal of the lease of the endowed lands and as to investment in the State Loan Bond, of the amount referred to in R.O.No.6050-4/Muz.401-7-8 dated 26th May 1922. This information will be furnished on hearing from the Sub Division Officer".
